Truck 22 – Michael Johnson continually displays a positive attitude, works hard, takes any load we need. Valmont recently had load that we were in bind on moving. He did not hesitate one bit, he got us out of a bind and did what was needed to take care of a big customer.

Truck 36 – Tony Silguero also continually displays a good positive attitude, he works hard, and is eager to take any load available. Tony always conducts himself in a professional manner.

Truck 19 – Elmo displays a positive Team Shark attitude. He is willing to do any task asked of him. He also always gets very good fuel mileage.

FUEL SQUEEZER

Speed is the biggest factor in Fuel Economy. Goodyear did a 10 year study on MPG. They found speed as the #1 factor. This is an example truck comparison based upon their findings:

MPH	MPG
75	4.65
70	5.06
65	5.50
60	5.94
55	6.41

Truck Drivers Health

We are proud to open up the new **Team Shark Driver Center**. I am sure that you have noticed the new Mobile Home placed next to the old break room. This new area will be for you to relax, take a break, and get refreshments. We hope that you utilize the **Driver Center**, but please do not abuse or make messes. We hope this area shows our continued commitment to doing everything we can to help make your work life a little easier and more enjoyable.

For your relaxation this will provide a comfortable, clean area to take a break and get some rest. We will—with your help—maintain clean bathrooms and showers. This will provide a safe place to park the truck and clean place for you to shower, rest, and get ready for your next trip.

For your entertainment there will be DirecTV service. We will continue to provide hi-speed WIFI internet service.

For your refreshment we will offer an ice machine for a cold drink or to fill your ice chest, a coffee machine so you can get a fresh cup of coffee while you wait or even fill up your thermos for your trip.

For your convenience we will continue to provide the washer and dryer in the old break room to do your laundry while you relax.

Few rules: **NO SMOKING** in the Team Shark Driver Center. Please clean up after yourself.

Again we want to show our appreciation for all that you do—we know that you do a hard job and hope you enjoy the many amenities— clean showers, fresh coffee, free ice, High Definition DirecTV, and a nice place to rest and relax. Thanks Team Shark Management.
